CC Docket No. 93-129

MOTION TO EXTEND TIME TO FILE DIRECT CASE

Pacific Bell files this motion for extension of time in which to file its direct case in the above-captioned proceeding. The Bureau's order released on July 19, 1993, DA-93-930 requires local exchange carriers ("LECs") to file their direct cases on August 19, 1993. Pacific Bell respectfully requests a 32 day extension of time for filing its direct case. In support of this request Pacific Bell states the following.

The Bureau has requested extensive comment on a variety of issues and sub-issues with regard to the 800 data base tariffs. In addition to the narrative that will need to be prepared to respond to the issues and sub-issues, the Bureau has also requested that price cap carriers respond to request to the data in Appendix A. Preparation of this data will require compilation of a significant amount of information. Pacific Bell's Pricing and Costing Manager for Switched Access, Ms. Szutu, will have primary responsibility for providing the information requested in the direct case.

Ms Szutu also has primary responsibility for providing

accounting order has been issued with respect to the 800 data base tariffs so the extension will pose no harm to any party.

For the foregoing reasons, Pacific Bell respectfully requests an extension of time to file its direct case until September 20, 1993.

Respectfully submitted,

PACIFIC BELL
